Dear Sir/Madam,

I am writing to you to inquire about the possibility of working in your company. I have noticed that your company is looking for a PHP Developer which you have advertised in the teraswarga.com.

I believe that I meet all the requirements that your company needs. As a fresh graduate of Rekayasa Perangkat Lunak from SMK Madya Depok, I have extensive knowledge in web development, particularly in backend development. I gained valuable internship experience at PT Mabertech interindo in Bogor, for 3 months.

My CV has been attached which outlines all my qualifications in detail. I would appreciate every opportunity to discuss myself and continue the next recruitment process. I will look forward to hearing from you soon. Thank you.

Sincerely,

Zul Fadli
